Corrigendum No. 2	
As per RFP	Revised Clause
<p>3. Intellectual Property:</p> <p>3.1 As a material condition to which Consultant agrees in exchange for the opportunity to provide the Services, Consultant expressly acknowledges and agrees that all reports, documents, improvements, discoveries, inventions, processes, designs, plans, and trade secrets, whether of a technical nature or not, which could either be primary or secondary data, made or developed by Consultant alone or in conjunction with any other person or entity while providing the Services herein or developed by the Consultant during the course of or arising out of his previous employment, which relate to or affect the business of CDRI (“Intellectual Property”), shall be the sole and exclusive property of CDRI.</p>	<p>3. Intellectual Property:</p> <p>3.1 As a material condition to which Consultant agrees in exchange for the opportunity to provide the Services, Consultant expressly acknowledges and agrees that all reports, documents, improvements, discoveries, inventions, processes, designs, plans, and trade secrets, whether of a technical nature or not, which could either be primary or secondary data, made or developed by Consultant alone or in conjunction with any other person or entity while providing the Services herein or developed by the Consultant during the course of or arising out of his previous employment, which relate to or affect the business of CDRI (“Intellectual Property”), shall be the sole and exclusive property of CDRI.</p>

All intellectual property rights in the same shall be the exclusive property of CDRI, for perpetuity and for all territories of the world.

3.2 The Consultant agrees that during the subsistence of the present contract, it could come across or be handed over material, data etc., where the intellectual property rights in the same would be the sole property of CDRI. Consultant agrees that he shall not, directly, or indirectly, use or disclose any of the said material belonging to CDRI to any entity in any manner or medium whatsoever, for any reasons whatsoever.

3.3 The Consultant expressly agrees to disclose and reveal to CDRI all Intellectual Property, and all information regarding Intellectual Property, concurrent with the discovery or development of the Intellectual Property. Consultant hereby assigns to CDRI all rights, title, and interests in any Intellectual Property.

3.4 The Consultant irrevocably appoints the CDRI as his/her/its attorney and, in his name and on his behalf, to execute and do any instrument or thing and generally to use his name for the purpose of giving to the CDRI or its nominee the full benefit of the provisions of this clause 3.

3.5 Surrender of Material upon Termination of Agreement: Upon termination of this Agreement, Consultant shall return immediately to the CDRI all Intellectual Property (including all books, records, notes, data and information relating to CDRI or its business and all other CDRI property), and will so certify in writing that it has done so.

3.6. Moral Rights. Consultant hereby waives all moral rights relating to the Intellectual property which may be developed by it during the performance

All intellectual property rights in the same shall be the exclusive property of CDRI, for perpetuity and for all territories of the world.

3.2 The Consultant agrees that during the subsistence of the present contract, it could come across or be handed over material, data etc., where the intellectual property rights in the same would be the sole property of CDRI. Consultant agrees that he shall not, directly, or indirectly, use or disclose any of the said material belonging to CDRI to any entity in any manner or medium whatsoever, for any reasons whatsoever.

3.3 The Consultant expressly agrees to disclose and reveal to CDRI all Intellectual Property, and all information regarding Intellectual Property, concurrent with the discovery or development of the Intellectual Property. Consultant hereby assigns to CDRI all rights, title, and interests in any Intellectual Property.

3.4 The Consultant irrevocably appoints the CDRI as his/her/its attorney and, in his name and on his behalf, to execute and do any instrument or thing and generally to use his name for the purpose of giving to the CDRI or its nominee the full benefit of the provisions of this clause 3.

3.5 Surrender of Material upon Termination of Agreement: Upon termination of this Agreement, Consultant shall return immediately to the CDRI all Intellectual Property (including all books, records, notes, data and information relating to CDRI or its business and all other CDRI property), and will so certify in writing that it has done so.

3.6. Moral Rights. Consultant hereby waives all moral rights relating to the Intellectual property which may be developed by it during the performance

<p>of the present contract (including any rights (a) of identification of authorship, (b) of approval, restriction, or limitation on use, and (c) to subsequent modifications.</p>	<p>of the present contract (including any rights (a) of identification of authorship, (b) of approval, restriction, or limitation on use, and (c) to subsequent modifications.</p> <p>3.7 Consultant may use data, software, designs, utilities, tools, models, systems and other methodologies (“Materials”) that Consultant owns in performing the Services. Consultant will retain intellectual property rights in the Materials (including any improvements or knowledge developed while performing the Services but not Client Information reflected in them. However, CDRI will be free to use any Materials included in the Reports, as well as the Reports themselves without any encumbrances.</p>
